For a Clean, Clear and Healthy Ecosystem – Pond Biologics®

Blue Wing™ Plus Pond Dye is a blend of highly concentrated Bio-Clear™ water clarifier and our top quality straight blue lake and pond dye. Blue Wing™ Plus not only shades and protects your pond, the beneficial bacteria helps to clarify water and reduce organic debris. Blue Wing™ Plus is safe for use in lakes and ponds that are used for swimming, recreation, fishing, irrigation and other activities.

DIRECTIONS

Blue Wing™ Plus can be applied to water temperature as low as 38°F (3.3°C). For optimal results, start early in the season and apply on a as needed basis.

Directions for Use: Shake well before use. Blue Wing™ Plus can be applied directly from the bottle. Pour in multiple spots around water body, directly into your lake or pond. Blue Wing™ Plus will spread throughout the water body on its own, attacking organic debris while adding a beautiful blue color. **Do not allow to freeze.**

Calculation for surface acres of water:

$$\frac{\text{Length} \times \text{Width}}{43,560} = \text{Surface Acres}$$

Dosage Rate

Apply every 6 - 8 weeks or as needed.

1/4 Acre Pond - 1 quart

3/4 Acre Pond - 3 quarts

1/2 Acre Pond - 2 quarts

1 Acre Pond - 1 gallon
